

- Arriba ponemos las partes que tomamos
- Abajo ponemos las partes que representa el total

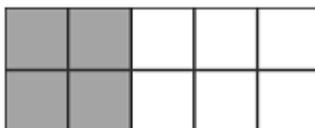

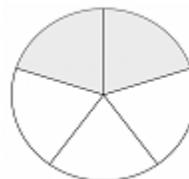

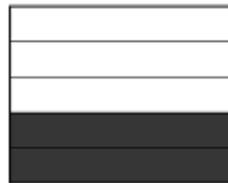

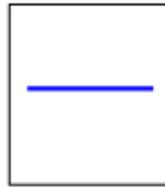

A la parte de arriba la llamamos NUMERADOR

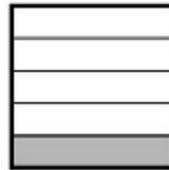

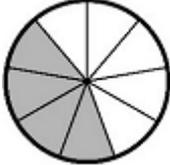

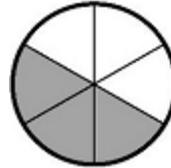

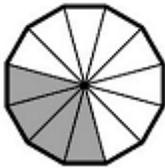

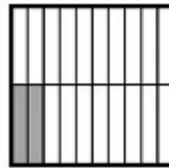

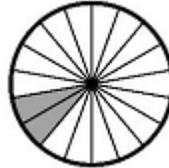

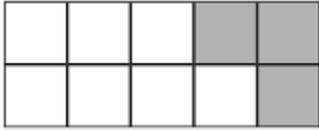

A la parte de abajo la llamamos **DENOMINADOR**

Ahora mira esta otra tableta de chocolate

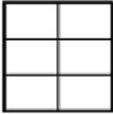

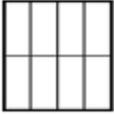

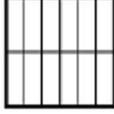

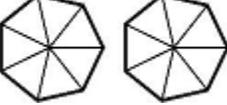

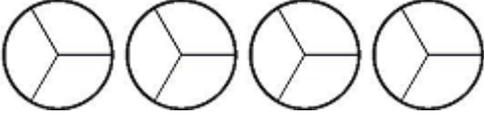

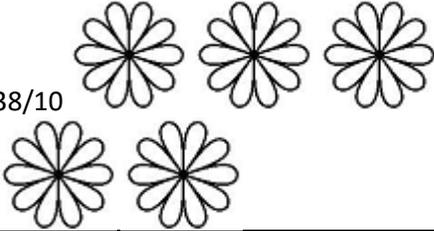

Fíjate cuantas partes se tomó y cuantas tiene en total; escríbelos como **NUMERADOR** y **DENOMINADOR**:

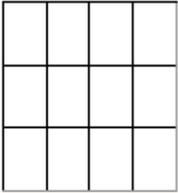

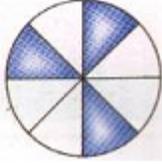

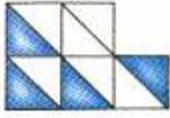

Ahora según la fracción dada, pinta según corresponda:

$1/6$ 	$7/8$ 
$3/3$ 	$7/12$ 
$9/7$ 	$11/5$ 

$9/3$		$38/10$	
-------	---	---------	--

Completa el siguiente cuadro:

Nombre	Dibujo	Numerador	Denominador	Fracción
Tres octavos		3	8	$\frac{3}{8}$
Cinco doceavos				_____
		7	10	_____
				_____
				_____
Un medio				_____
				_____
				_____
